Professional Experience

Senior UX Designer | Central Board of Direct Taxes (Income Tax) | 2021-Present

- Lead UX research and contribute UI, prototypes, and user-testing materials for Income Tax Return (ITR) and public-service experiences.
- Contributed to the Income Tax website redesign and improvements to ITBA, an internal case-disposal tool, translating complex tax and operational tasks into clearer user flows.

UX Designer | Independent / Freelance | 2019-Present

- Deliver product design for mobile, web, e-commerce, and wearable products, from research and user flows through interaction design, prototypes, and testing.
- Created 100+ smartwatch face designs for boAt Lifestyle India and contributed product work for clients including Country Delight and Wizikey.

UI / UX Designer | Comptroller General of Defence Accounts (CGDA) / DRDO | 2019-2021

- Conducted UX research and designed workflows, information architecture, wireframes, prototypes, navigation, and testing plans for internal websites, apps, and accounting systems.
- Clarified employee bill-clearance workflows through interaction design for complex enterprise processes.

UI / UX Designer | Galaxy Studio | 2016-2019

- Designed Windows Phone, Windows 10, Nokia Asha, and BlackBerry OS 10 applications in a team portfolio of 30+ apps with 4M+ downloads.
- Designed Yube, eXpress Player, FitVid, and SuperHeroes Wallpapers; selected apps were featured in the Windows App Store and Windows Central.

QA Analyst | IBM India Pvt. Ltd. | 2014-2016

- Created and executed test cases across McKesson Healthcare and C2C Rail projects, covering unit, integration, interface, sanity, regression, usability, and beta testing.

Recognition

Microsoft Student Partner (2012-2013); Top 10 in Microsoft DVLUP, a Windows Phone developer reward program.

Education

Post Graduate Certificate in UX Design & HCI, Indian Institute of Technology (IIT), Guwahati, 2023
Bachelor of Technology (ECE), Netaji Subhash University of Technology (East Campus), 2009-2013
